

## Hon. Secretary's Annual Report for Year 2020

**Dear Fellow Members and Friends of the SPCA,**

It is our pleasure to give you the annual report for the year ending 2020

Due to the Covid 19 pandemic which started in March 2020, we were restricted from many activities/events during the year 2020. The continued movement control order and SOPs required had disabled us from planning any activities to benefit the general community as well as our furry friends.

The LIST of ACTIVITIES held is reflected in Appendix A.

Our Annual General Meeting was delayed till October 2020. There was no change in the list of office bearers as all were nominated and elected en bloc.

Despite the pandemic, our REHOMING figures improved compared to 2019.

The no of animals adopted has increased slightly over the previous year.

### **Neutering Fund**

During the year, we had arranged for 70 cats and dogs neutered under this fund. This fund also caters for vaccinations of all animals while at the shelter waiting to be homed.

Funds raised for this purpose is unstable and the only source for this is through sponsorship and sale of calendars. Hence, the Management Committee has unanimously agreed to put aside a sum from our Savings for this purpose.

## **SPCA Desktop Calendars**

Year 2021 sale of calendars was not as promising, due to the disruption by the pandemic & MCO implemented since March 2020. Amount raised from the sale of calendars was only RM7330.

Our grateful thanks to all Sponsors & Supporters in making this fundraising project a success. The request for our Year 2021 calendars was overwhelming.

## **Donations**

With the continuous onset of lockdowns, we were not able to receive visitors to the shelter be it for adoptions, community service etc. Thus, it has affected the flow of income coming into the society.

However, we have the blessings of our supporters who have contributed by way of transfer on line. Students who were not able to perform their community service physically have also channeled their resources by going on line in helping raise funds for the animals at the shelter.

Our sincere thanks to TNG DIGITAL SDN BHD for offering us an avenue to receive donations through TNG eWallet. We appreciate TNG Digital Sdn Bhd's services extended towards NGOs like ours.

Our grateful thanks to the Estate of Frank George Newman (S'pore), a sum of RM259,674.10 was bequeathed.

Our heartfelt thanks also to ALL THE DONORS who have helped us sail through another bleak year. A full LIST of the DONORS is reflected in Appendix B. ( Note: Our due apologies should your name be wrongly addressed or missed out accidentally )
